

Prescription medications delivered to your door or collected from your local O'Sullivan's Pharmacy.

EASYMED

✔ MEDICATION ✔ DOSE ✔ TIME

Correct Medication,
for the correct patient,
at the correct time.

How does EasyMed work?

Order Prescriptions

- Upload your prescription to the app or have your GP email it directly to O'Sullivan's Pharmacy.
- Order prescriptions for collection, or delivery.
- View previously ordered medications.
- Tracked delivery nationwide.

My Medication

- View an up to date history of all medication ordered through the app.
- Access all names, images and commonly used for information about the medication.
- View the times of day your medication is scheduled to be taken.

My Reminders

- Our helpful dosage reminder will send you a notification when you are due to take your next medicine.

Why EasyMed?

EasyMed Pouches

- Medication organised by day, time and dose in convenient tear away pouches.

Reminders

- Never forget to order or take your medication again.

Track your Prescriptions

- Track your previous medication history and the delivery of new medications.

Compliance Checks

- Keep on top of your medication with compliance checks, better compliance means better health!

Nationwide Delivery

- Sign up easily to EasyMed with tracked delivery nationwide.

Dispensed on all Government Schemes
